Marjala, G. the beau ideal of a summer vagrant. He Giauado, D. INITIALS. A. Z.; Christian Warrior; Old Dominion Towin Company. E. L. VAN LEW, Postmaster. Company. DEPARTURES OF STEAMERS.

loves warm weather. He sleeps in the

parks at night, or in barrels, or in wagons,

or along the docks, and says he has plenty

of company-in fact, he complains of being

sometimes "too crowded on rainy nights."

He trudges to the station-houses, though, if he can find one, he prefers to sleep, or at

least to pass the night, in an areaway or a

doorway. In the summer he sleeps on Fifth

avenue, on the outside of the basements, un-

der the steps, or down town, availing him-

self of some of the local opportunities pre-

sented by the huge warehouses. He has

passed night after night in the public parks,

and has slept many a moonlight night among

hidden bends of the lakes in Central Park.

Having slept where and how he can, Rick-

ety Joe breakfasts as he sleeps. Sometimes he begs a meal, sometimes he gets a penny

here and there; but his main dependence in the summer time is on fruit and the apple-

women. He and literally bundreds like him

live in the summer time on fruit, and mostly

picked up and rotten fruit, at that. He picks

up the leavings of fruit-stalls, gets an apple

now and then from some kindly-hearted

dealer-if by any possibility he has a few

pennies to spare he invests them in fruit.

Rickety Joe prefers apples to all other fruit,

they are so "solid" and so "filling." Healso

regards a pear as a specially good invest-

ment. Having slept and breakfasted, Rickety

Joe is not under the necessity of either wash-

this time he has generally managed to pick

gusto. Joe is pretty well "posted" on the

news of the day. His noon siesta will en-

dure for hours; then towards evening he be-

gins to tramp, tramp, tramp; one day one

way, another day another, as the whim seizes

him, gets his dinner as he got his break-fast, and then proceeds to enjoy himself

in the evening, for even Rickety Joe does enjoy himself, and the evening is his

special time for p'easure. Then he wanders

along the cool streets, then he lounges on the benches at the park, then he sees whatever

sights are to be seen; then, if he feels like it,

he goes to the docks and takes a plunge, not being afraid that anybody will rob him of

his wardrobe. If he is in luck he begs or

buys a glass of lemonade from some stand, or even indulges in the luxury of a pipe or

a quid, converses with such of his fellow-

vagrants as he chances to meet, and then goes to bed, as he did the night before.
"Rickety Joe" contrives to get a summer

suit by bits or instalments. At present he

wears an old brown straw hat, which he

begged, and has discarded an old vest in

which he was arrayed last winter. But as

the summer advances he will contrive to get

sublime weather at least, utterly wretched.

A young gentleman, eighteen years of age, seven feet high, four feet across the shoulders,

and weighing tive hundred pounds, was

walking about the St. Paul streets, Friday,

attracting the attention of all he met and leaving behind him a long string of wonder-

BUFFALO SPRINGS. PROMPT RELIEF GIVEN BY IT TO A PAIN-FUL BLADDER AFFECTION OF TWO

Case of Mr. George D. Cole, of Warren county. N. C. BUFFALO SPRINGS, VA., August 10, 1874. BUFFALO SPRINGS, VA., August 10, 1874.

Colonel Thomas F. Goode: Dear Sir.—For two
years I have been the victim of a most distresting
affection of the bladder, the passage of my urine
occasioning great pain at the time and continuing
for some time afterwards. During this period I
was treated at one time for four months continuously by ene of the most skillful physicians of my
section of country, but no medicine afforded me
even temporary relief. One week ago I arrived at
these Springs, and commence of the use of the Li bia these Springs, and commenced the use of the Li-hi water. In twenty-four hours I experienced decided restef, and I am now perfectly free from every un-pleasant symptom.

Mespectfully yours.

GRAVEL OF MANY YEARS' STANDING RELIEVED BY THE LITHIA WATER.

Case of Mrs. Henry Loftus. of Mecklenburg county, stated by Dr. James Shelton.

BUFFALO PRINGS, VA., August 10. 1874.

Colonel Goode: In compliance with your request I give you a statement of the case of Mrs. Henry Loftus. She has been a great sufferer from gravel for a number of years, medical treatment accomplishing nothing for her beyond a mitigation of suffering. She recently began the use of the Lithia water here, and in a few days dischurged without pain a gravel weighing, I am confident, not less than twenty grains, which is now in my possession. Yours, respectfully, respectfully, JAMES SHELTON, M. D.

THE HEALING SPRINGS . (on the line of the Chesapeake and Ohio railroad). BATH COUNTY, VA., B. M. QUARLES, MANAGER,

will be kept open for the reception of visitors to the 1st of OCTOBER,

with accommodations for three hundred persons

These Springs, situated in the beautiful Warm Springs valley, are accessible from Covington, on the Cuesapeake and Ohio railroad, over a fine turnthe Chesapeake and Ohiorailroad, over a fine turn-pike road afteen miles, with easy grades, and pass-ing in full view of the celebrated Failing Springs and the magnificent scenery on Jackson's river. The air is pure, dry, and bracing, and fogs, so common in mountainous regions, are here almost unknown.

The bathing is delightful and exhibarating. Pure freestone water from the mountains is conveyed by pipes through the buildings and grounds for all purposes.

BUFFALO SPRINGS, MECKLENBURG COUNTY, VA.—RECENT DISCOVERY OF AN ADDITIONAL SPRING, decidedly impregnated with the celebrated "Salts of Lithia." These Springs open for the reception of visitors on the FIRST OF JUNE, 1874. Springs open for the reception of visitors on the FIRST OF J UNE, 1874.

In most of the chronic forms of disease regarded as remedial by mineral waters these Springs enjoy a deservedly high reputation.

In general adaptation and curative power in diseases of women, in dyspepsia in its protean forms, in chronic internitient fevers, and in all diseases, generated by malarial poisons, they are without a rival among the medicinal waters of America. The proprietor is aware that this is a very strong claim. The public will juage if it be sustained by the testimonials submitted.

Since the last Spring season several valuable springs have been discovered at this place. One of them, according to an analysis made by Professor Tonry, of Baitimore, is decidedly impregnated with the "Saits of Lithia," which has given such celebrity to the Gettysburg spring in our own country and to the Aix is Chappelle and Vichy waters of the continent of Europe, and which is so highly esteemed in the medical world as a remedy in zout, rheumatism, and in kidney and bladder affections.

rout, rheumatism, and in kidney and bladder affec-

yout, rheumatism, and in kidney and bladder affections.

Professor George B. Wood, of the University of Pennsylvania, says: "There is perhaps no other remedy from which equal efficacy may be expected in the removal of the deposits of the urate of soda in the joints and ligamentous tissues in gouty patents, and in preventing the deposits in the kidneys and urinary passages."

It may be worthy of note that this is the only Spring in Virginia in which this salt is found otherwise than the merest trace.

Pamphlets containing analysis, testimonials, &c., can be had on application to Messrs. Purcell, LADD & Co., druggists, or Messrs. WEST. JOHNSTON & Co., booksellers, Main street, Richmond, Va., or by addressing the undersigned at Boydton, V2. [ap 24-daw4m] THOMAS F. GOODE.
